Village Connection to The Busway

Dear Customer

Now that The Busway is up and running we are looking at how the villages of Willingham, Longstanton, Over and Swavesey can benefit from the new links this offers.

At the moment our Route 5 still runs through to Cambridge and St Ives, but we have been asked to consider running a village bus to link with The Busway at the new Longstanton Park & Ride interchange.

The proposed bus number 15/15A is shown overleaf, this would replace Route 5 between Bar Hill and St Ives, customers would be able to buy a through ticket and change buses at the Park & Ride site or at The Busway stop between Over and Swavesey.

Connecting journeys and arrival times at Cambridge or St Ives are shown for guidance, Busway journeys run every 10 minutes during the day, so you've plenty of choice. On your return journey you would need to make sure you allow enough time to get back to Longstanton Park & Ride to catch the village bus as these run about hourly.
