

Over Road, Swavesey – Road works and road closure in summer/autumn 2008

- Guided Busway
- Diversion Route

PLAN NOT TO SCALE

Why?

We understand that when the road is closed, it will be a major inconvenience for local people and we are sorry for the disruption this work is going to cause.

In order to minimise this inconvenience, we have kept the road closure to a minimum by using temporary traffic lights to work on one side of the junction at a time and get as much preparation work done as possible with the road still open.

When the Guided Busway opens in spring 2009 it will provide a quality, reliable and frequent bus service. The journey times on buses from Swavesey will be approximately 14 minutes to Cambridge Regional College and 17 minutes to the Science Park.

Diversion routes for motor vehicles

Given that Ramper Road is particularly narrow, the Police have advised us to recommend the A14 as the diversion route. Signs will be put up to advise drivers of this.

In addition, with the Longstanton bypass currently being built and road works along Longstanton Road/Over Road near the Ramper Road junction, this is another reason why the A14 is the official diversion route.

However, many local people will choose to use Ramper Road and Windmill bridge rather than the A14 and we would like to encourage people to drive carefully if travelling on this very narrow road.

Changes to the bus service

The 15 and 15A will continue to serve Over and Swavesey.

Buses travelling from Over to Swavesey will turn left from Station Road in Over onto New Road, and use Windmill Bridge and Ramper Road to reach Swavesey. This means that the two stops nearest the road closure in Over will not be served.

Buses travelling from Swavesey to Over will continue to serve all of the usual stops in Swavesey and will turn around at Swan Pond before using Ramper Road and Windmill Bridge to reach Over.

For up to date timetable information, please ring Traveline on **0871 200 2233**.

We have communicated with Swavesey Village College about the road works and closure and they have passed information on to students and parents.

How can I find out more?

If you would like to know more about the road works on Over Road in Swavesey, please call the Guided Busway team on **01223 716972** or email guidedbusway@cambridgeshire.gov.uk

If you would like a copy of the text in this leaflet in large print, Braille, audiotape or another language, please contact the team on the details above.
