

Welcome to this year's annual report. Your Parish Council has been working hard over the past year to improve services in the village and to put the interests of the village forward in many major consultations on changes that will directly affect this village. We notify you of all of these through our monthly meetings, notices on the village noticeboards, on our website and in the Meridian Magazine. There is a public forum at the start of every Parish Council meeting so please come along and put your views forward.

This year has seen two changes within the Parish Council, Mr James Tait and Mrs Sue Rogers have both left and I would like to thank them both for the time they gave to the Council. Mr John Jullien and Mr Nick Dennis have now joined the Council.

Some major topics of discussion over the past year have been:

- Detailed proposals for the improvements to the A14 were presented to the Parish Council during 2008. The interchange at the Swavesey/Boxworth junction will become a main interchange between the new A14 trunk road and dual-carriageway parallel road. The Highways Agency is including dedicated footpath/cycleway/bridleway routes around the junctions and will also be improving links to such routes either side of the new road as well.
- The guided busway and its affect on the area surrounding the village. Councillors attend regular meetings to discuss the flood risk issues, proposed bus services, access to the busway and rights of way across it.
- County Council consultation on proposals to provide a dual use cycleway/footpath between Boxworth End and Buckingham Business Park.
- The Parish Council has recently taken over the responsibility for the public open space areas within Moat Way and Chantry Close as well as the land to the back of the recreation green. The Council will now be looking at how this additional land can best be used for recreational and sports activities.

## **CURRENT PROJECTS**

### **Some village projects supported by the Parish Council**

#### **Memorial Hall**

The Memorial Hall is now a registered charity and is managed by an elected Board of Management Trustees. The Parish Council continues to support the work of the hall with an annual running costs grant and support towards the continuing refurbishment programme. Replacement windows were provided during 2008 and internal refurbishment work to the main hall is now being organised.

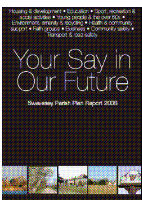

#### **Youth Activities**

Swavesey Action for Youth (**SAY**) continues to receive core funding from the Parish Council in order to help support youth activities for our young people.

#### **Swavesey Community Football Club**

Together with members of the village adult and junior football clubs and other potential sports users of the recreation green, the Parish Council is supporting a project to provide a new pavilion for the recreation green. Plans are being drawn up and funding investigated to provide more suitable facilities for all sporting activities taking place on the recreation green.

#### **Swavesey Parish Plan**

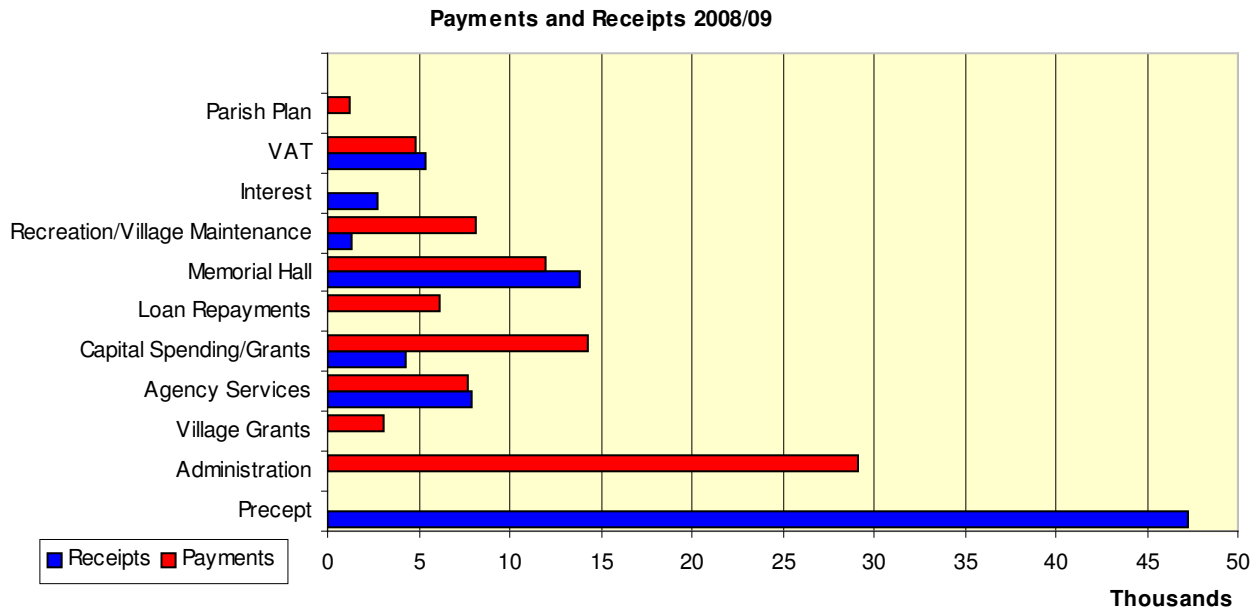

The Parish Plan was published at the end of 2008 and has been adopted by the Parish Council. The Parish Council will now be working on the actions identified within the plan with a view to implementing those projects you identified as important for this community.

## HOW THE MONEY WAS SPENT

The Parish Council's main source of income is the Precept, which is collected through the Council Tax by South Cambridgeshire District Council. Swavesey's 2008/09 Precept of £47,300 represents just 48.5p per elector per week.
