

Letter of support from Andrew Lansley, CBE, MP

ANDREW LANSLEY CBE MP
(SOUTH CAMBRIDGESHIRE)

HOUSE OF COMMONS
LONDON SW1A 0AA

September 2008

I was pleased to know that a Parish Plan is being prepared for Swavesey. A Parish Plan is an important document, setting out residents' views and wishes for the future of their community. Swavesey is one of the larger villages in the South Cambridgeshire constituency, with a wealth of historic and interesting buildings; and a well-documented history, including mention in the Domesday Book and instances of major fires and floods! Swavesey today is a thriving village with a wide variety of community groups and a successful and valued Village College. I congratulate those who have worked to produce the Parish Plan; I am sure it will be a very valuable tool for agencies who are involved in planning for the future development of the village in accordance with residents' wishes.

A handwritten signature in black ink, appearing to read 'Yours truly, Andrew Lansley'.

Andrew Lansley
