

Conservation volunteering at Fen Drayton Lakes

Help us make a difference!

Come along and join like-minded people help manage this haven for nature in the Cambridgeshire countryside. Experience wildlife first hand, get fit doing it and enjoy the knowledge that you are doing your bit.

Work parties will be held on the second Tuesday and the last Saturday of each month.

9.30am – 3.30pm

Please bring old clothes, sun/rain protection, wellington boots, and work wear gloves if you have them - and some lunch!
