

**The George Long Charity
For Swavesey Memorial Hall 2015-2016**

A new financial year, meant a fresh project! This year the Trustees decided on two missions, a replacement front door and a flat screen for presentations or cinema nights in the Main Hall.

The screen was purchased with help from the Parish Council and the Wi-Fi was boosted to improve the signal. The front door was funded by the Hall and a small grant from South Cambs District Council. Both have been added assets to the Hall.

Bookings for the hall are steadily increasing especially business bookings. Most residents appreciate that we are lucky to have a fully functional hall/meeting room in the village. The Trustees continue towards striving for the Hall to stand on its own without the need for the running grant from the Parish Council.

In December the Hall shone brightly with outdoor Christmas lights, the first time in 10 years. The feedback from the village was encouraging; confirming our decision to do this was the right one!

Hopefully residents and user groups have appreciated the continuing changes which have been made in the past year and can look forward to more in the future. On behalf of the Trustees I would like to take this opportunity to thank everyone who has used the Hall facilities and for the comments we have received on improvements we have made. We are always open to suggestions for the future too☺
