

PROPOSED HOUSING DEVELOPMENT BY LARAGH HOMES

AT - LAND NORTH OF FEN DRAYTON ROAD, SWAVESEY

Laragh Homes is a Cambridgeshire based house builder that is dedicated to building high-quality, bespoke houses and apartments in Cambridge and the surrounding villages. It has completed an extensive portfolio of developments in sought-after locations, either as Laragh Homes, or as part of a partnership with other developers, landowners or social housing organisations.

Our mission is to build unique homes of quality and style in excellent locations for our purchasers to enjoy.

Laragh Homes will soon be submitting a detailed planning application for a development of approximately 55 new homes on the above site, shown hatched in red on the plan above. The land is located to the north of the recently completed affordable housing development at Home Close, and access would be taken from the south-west end of this development from Fen Drayton Road.

A public exhibition of the draft plans for these proposals will be held on:

Tuesday 1st November 2016, 3.30pm – 7.30pm

At: Swavesey Memorial Hall, High Street

Please come along and give us your comments about these proposals before the planning application is finalised and submitted.
