Swavesey Parish Council

POLICY - Barbecues on the Recreation Green

No barbecues permitted on the recreation green or as part of a pavilion hire, with the following two exceptions:

1. Bi-annual Village Festival (Gala Day and associated Festival week events)
2. Annual Spartans Day (Spartans FC end of season and prize giving event)

Exceptions made for the above two events as they are part of organised, insured and risk assessed village events, held on the green where using the Pavilion kitchen facilities would not be suitable.

No other barbecues, organised or ad-hoc, to be permitted on the Recreation Green.
