(i) VB reported on events held over the past month or so:  
Compass Café, Sheltered Housing, PTA School Fayre, WI  
Notes of the comments received circulated to all  
All events had been well received and lots of comments noted. Many comments repeated across the events by different residents of varying age groups, clearly highlighting the most common and emotive issues relating to the village development.  
Noted that lack of safe cycleways through and around the village was a common comment.  
Also that new housing needs to be of mixed development, to include bungalows, market and social housing ensuring that these different types of properties are spread throughout a development and not clustered together. This helps to integrate different people in a community.

(ii) Plans for Festival Gala Day Sat 7<sup>th</sup> July.  
3mx3m pitch space booked with a gazebo. Set up from 10am-12noon. Open from 1pm-4pm. **Helping out: VB, LN, SS, SSm, MP, DH & RH**  
Large format maps of the village available. LM to provide A3 colour aerial photos of village and up to date plan of where housing development has been permitted.
